To whom it may concern

Mr. Krzysztof Oraczewski

I've been acquainted with Mr. Krzysztof Oraczewski for over 20 years and I am an avid collector of his works.

I also cooperated with Mr. Oraczewski on several projects, including organization of the exhibition of his large-scale installation "The Tree Of Life" in the Hertzlia Museum of Art in Israel. I also feature his paintings as cover art on the CDs released on my label, Jazzis Record. I also collect his works on my private Art collection.

I consider Mr. Oraczewski as one of the most important contemporary European Artists and his outstanding achievements on the international Art scene are exemplary.

I own 9 paintings by Mr. Oraczewski, as follows:

1. Acrylic on canvas, 80 cm / 100 cm
2. Acrylic on canvas, 80 cm / 100 cm
3. Acrylic on canvas, 80 cm / 100 cm
4. Acrylic on canvas, 100 cm / 100 cm
5. Acrylic on canvas, 80 cm / 60 cm
6. Acrylic on canvas, 80 cm / 60 cm
7. Acrylic on canvas, 80 cm / 60 cm
8. Acrylic on wood, 80 cm / 60 cm
9. Acrylic on paper, 60 cm / 30 cm

The price of his works is on average about US \$ 7,000 per square meter and obviously an excellent investment opportunity in Modern Art.

Yours sincerely:

Dr. Adam Baruch
